WAIHEKE WALKING FESTIVAL

HIGHLIGHTS OF THE EVENT

Never ever been to the Waiheke Walking Festival? This gives you an idea of what to expect and anticipate.

For more details check out the festival website and keep an eye when bookings open around October 1st (many walks do book out on the first day of bookings).

Come and enjoy some walking and talking and celebratory wine!

YOUR GREAT WAIHEKE WALK

Walk, Learn, Have Fun

Something for
everyone to enjoy -
from meditation to
astronomy!

Couple of hundred happy walkers from around New Zealand and overseas

FESTIVAL FOR EVERYONE

Free event guided by amazing Treescape® volunteers, covers a wide range of topics, terrains and distances.

ENCOURAGE AND INSPIRE

This year we shared with the participants great results Treescape® achieved over last year with weed removal and ecological restoration, proudly claiming some of the reserves weed free.

OVER 50 WALKS

From the seashore to Waiheke's highest peaks, and through the bush and farmland in between.

How Treescape® does predator control? What is weed control and native forest regeneration? Does Waiheke have penguins? All answers were there for the inquisitive minds.

We are strongly supporting Kauri Dieback disease preventative measures, and ensure health and safety standards are met for both people and the environment.
